Wildcats Split With Southern Idaho

The baseball team (24-12, 18-6 in conference) dropped two contests to Southern Idaho in Twin Falls last Friday, and then took two back on Saturday to earn a weekend split and remain in second place in the Scenic West conference. The Wildcats are in a second place tie with Southern Idaho and only a half game away from first-place Dixie State College of Utah, who visits Carson City this weekend.

The Wildcats will play two doubleheaders against Dixie State starting at noon Friday and 11 a.m. Saturday. Come out and show your support for the Wildcats; faculty, staff and students get in free!
